

STRATEGY

1. Arcane Ascendancy

- Primary (1 AP): Gain 2 Mana, then research one Tier I discovery for free (ignore its AP and resource costs).
- Secondary: You may immediately research one discovery you qualify for by paying its resource cost +1 Mana (no AP; does not consume your turn).
- Initiative: 1

Strategy.md Section 3

STRATEGY

2. Resource Surge

- Primary (0 AP): Gain 2 Gold, 2 Mana, and 1 Influence.
- Secondary: Spend 1 AP to gain 1 Gold and 1 Mana.
- Initiative: 2

Strategy.md Section 3

STRATEGY

3. Military Maneuvers

- Primary (1 AP): Resolve one Move action for one group at 0 AP path cost (ZOC surcharges still apply). You may then immediately declare one Attack this turn for 1 AP instead of 2.
- Secondary: Spend 1 AP to move one of your unit groups 1 hex (pay terrain and ZOC costs normally).
- Initiative: 3

Strategy.md Section 3

STRATEGY

4. Diplomatic Decree

- Primary (1 AP): Gain 2 Influence and take the Speaker token. Then convene an emergency council session: propose one motion and resolve it immediately using the normal voting rules (HighCouncil.md). Lobbying is allowed; no other proposals are heard.
- Secondary: Spend 1 AP to gain 2 Influence.
- Initiative: 4

Strategy.md Section 3

STRATEGY

5. Expansion Strategy

- Primary (1 AP): Claim one neutral hex adjacent to territory you control that contains no other player's units. Gain +1 Population Pool (up to cap).
- Secondary: Spend 2 Influence to claim one neutral hex adjacent to territory you control that contains no other player's units.
- Initiative: 5

Strategy.md Section 3

STRATEGY

6. Tactical Reinforcements

- Primary (1 AP): Recruit up to 2 units for free (no Gold/Mana cost; Population costs still apply) in one City you control. This ignores the once-per-City-per-round Recruit limit.
- Secondary: Spend 1 AP to take a Recruit action (paying normal costs) at one City you control, even if that City has already recruited this round.
- Initiative: 6

7. Economic Boom

- Primary (0 AP): Gain 5 Gold.
- Secondary: Spend 1 AP to gain 2 Gold.
- Initiative: 7

Strategy.md Section 3

STRATEGY

8. Imperial Mandate

- Primary (1 AP): If you control the Imperial Seat, gain 1 VP. Otherwise, draw 1 secret objective. In either case, gain 1 Influence.
 - Secondary: Spend 2 Influence to draw 1 Whisper Card.
 - Initiative: 8

WHISPER

Shield Wall

- Timing: COMBAT (during Counterstrike step)
- Requirement: You are the defender.
- Effect: Choose one of your Battle Line units. It gains +2 Defense for this battle round.

Whispers.md First Playable deck

WHISPER

Flanking Charge

- Timing: COMBAT (during Strike step)
- Requirement: You have at least one Cavalry on your Battle Line.
- Effect: Choose one of your Cavalry on the Battle Line. It rolls d12 instead of d8 for its Attack this battle round.

Whispers.md First Playable deck

WHISPER

Deadly Volley

- Timing: COMBAT (during Archer Pre-Strike)
- Requirement: You have Archers on your Battle Line.
- Effect: Each of your Archers on the Battle Line deals +1 damage on successful hits this Pre-Strike (a hit that would deal 1 damage now deals 2).

Whispers.md First Playable deck

WHISPER

Tactical Withdrawal

- Timing: COMBAT (during Retreat Check)
- Requirement: You are retreating.
- Effect: Your retreating units may move to any hex you control within 2 hexes of the battle hex (not just adjacent hexes).

Whispers.md First Playable deck

WHISPER

Rallying Cry

- Timing: WHEN you suffer more casualties than the opponent in a battle round.
- Effect: Gain +1 AP immediately. This AP must be spent this round.

Whispers.md First Playable deck

WHISPER
Fortify Position

- Timing: WHEN you win a battle as defender.
- Effect: Place 1 Infantry for free in the defended hex. (You must have available Population; the Infantry still occupies 1 Population.)

Whispers.md First Playable deck

WHISPER
Overwhelming Numbers

- Timing: COMBAT (during Reinforce Battle Lines step)
- Effect: Increase your Battle Line Cap by +1 for this battle round only. (You may immediately promote 1 additional Reserve to the Battle Line.)

Whispers.md First Playable deck

WHISPER
Iron Resolve

- Timing: COMBAT (before dice are rolled for Strike or Counterstrike)
- Effect: Choose one of your Battle Line units. It cannot be destroyed this battle round. If its HP would reach 0, it survives at 1 HP instead.

Whispers.md First Playable deck

WHISPER
Sabotage

- Timing: WHEN another player plays a Whisper Card.
- Effect: Cancel that Whisper's effect completely. Both Sabotage and the targeted Whisper are discarded. Sabotage cannot itself be Sabotaged.

Whispers.md First Playable deck

WHISPER
Backroom Deal

- Timing: COUNCIL (during Voting, before votes are tallied for a motion)
- Effect: Add +2 votes to either the "for" or "against" side of the current motion (your choice). These votes are in addition to your normal Council Votes and any Lobbying.

Whispers.md First Playable deck

WHISPER
Veto

- Timing: COUNCIL (immediately after a motion passes)
- Effect: The motion fails instead. All effects of the motion are negated; Influence spent on Lobbying is still lost. (Cannot target Title motions.)

Whispers.md First Playable deck

WHISPER

Political Leverage

- Timing: COUNCIL (during the Proposal Window)
- Effect: Gain 2 Influence. You may propose one additional motion this round (in addition to your normal one-per-round limit). The additional proposal still costs 1 Influence as normal.

Whispers.md First Playable deck

WHISPER

Leaked Intelligence

- Timing: COUNCIL (when the Speaker reveals the agenda card for the round)
- Effect: Look through the agenda deck. Replace the revealed card with any card from the deck. Shuffle the remaining deck. The new card becomes the free-proposal option this round.

Whispers.md First Playable deck

WHISPER

Hidden Cache

- Timing: ACTION
- Effect: Gain 3 Gold or 3 Mana (choose one).

Whispers.md First Playable deck

WHISPER

War Profiteer

- Timing: WHEN another player initiates an Attack action (not your attack).
- Effect: Gain 2 Gold.

Whispers.md First Playable deck

WHISPER

Emergency Conscription

- Timing: WHEN you complete a Recruit action.
- Effect: Place 1 additional Infantry for free in the same City. (You must have available Population; the Infantry occupies 1 Population as normal. This does not count against the 2-unit Recruit limit.)

Whispers.md First Playable deck

WHISPER

Prospector's Find

- Timing: ACTION
- Effect: Choose one tile you control. During the next Production & Upkeep Phase, that tile produces double its normal resources.

Whispers.md First Playable deck

WHISPER
Contraband

- Timing: ACTION
- Effect: Gain 1 Gold, 1 Mana, and 1 Influence.

Whispers.md First Playable deck

WHISPER
Relic Hunter

- Timing: ACTION / WHEN you enter an unexplored hex.
- Effect: Gain 1 Remnant immediately, in addition to any Exploration Event rewards (see Artifacts.md).

Whispers.md First Playable deck

WHISPER
Forced March

- Timing: WHEN you take a Move action (before resolving movement).
- Effect: Your moving group's Movement Range is increased by +1 hex for this Move action. (AP costs are still paid normally for the extra hex.)

Whispers.md First Playable deck

WHISPER
Blink

- Timing: WHEN you take a Move action (before resolving movement).
- Effect: Choose one unit in your moving group. Instead of moving with the group, that unit is immediately placed in any controlled City you own. The rest of the group moves normally.

Whispers.md First Playable deck

WHISPER
Ley Line Surge

- Timing: ACTION
- Effect: Gain 2 Mana. The next Research action you take this round costs 0 AP (you still pay the discovery's resource cost).

Whispers.md First Playable deck

WHISPER
Waystone Activation

- Timing: WHEN you use Portal travel.
- Effect: You may travel to a Portal controlled by another player this one time, ignoring the normal permission restriction. (You still pay normal Portal entry/exit AP costs.)

Whispers.md First Playable deck

WHISPER
Saboteur

- Timing: ACTION
- Effect: Choose an enemy building on a hex adjacent to one you control. That building is disabled until end of next round. (It produces no resources, grants no bonuses, and does not count as existing for objectives. It is not destroyed and returns to normal when the effect expires.)

Whispers.md First Playable deck

WHISPER
Mercenary Company

- Timing: ACTION
- Effect: Place 2 Infantry in any neutral hex adjacent to territory you control. You gain control of that hex. (Each Infantry placed requires 1 available Population.)

Whispers.md First Playable deck

WHISPER
Relic Thief

- Timing: WHEN another player claims an artifact from an Artifact Site.
- Effect: Cancel their claim. You claim the artifact instead. You must have a unit in an adjacent hex (see Artifacts.md).

Whispers.md First Playable deck
